

Sui SRK app

Starting over in a new country can be a challenge. The Sui SRK app can help you settle in. It was developed by specialists and refugees to help new arrivals.

There's no need to feel alone.

Download the app now and get support.

You can use the app anonymously.

The Sui SRK app provides:

- Reliable **information** about life in Switzerland: housing, the asylum process, family reunification, finding a job, finances, etc.
- Easy **self-help** tips for how to deal with worries and stress
- **Assistance** from a support person in the written chat function

The app is available in various languages.
